OPP PUBLIC DOCKET

FROM: Angel Chiri
OPP/SRRD/SRB

In the transmittal letter sent to you with the preliminary risk assessment, you were asked to verify whether Confidential Business Information (CBI), as described in FIFRA section 10(d)(1)(A) - (C), was found in your chemical's preliminary risk assessment(s). It is important that you provide this requested verification now in order to assist our Public Docket staff in preparing these documents for the docket. If you do not respond within 5 days, we will instruct our Public Docket staff to conduct their own CBI screening. Please complete the following information, sign your name on the signature line below, and FAX this letter to: Angel Chiri, (703) 308-8041.

This CBI verification pertains to:

Chemical name: Methamidophos
Preliminary risk assessment: Environmental Fate and Ecological Effects and Human Health Effects
Date of the assessment(s): 11/4/98 (EFED), 10/30/98 (HED)

Section 1 - Verification of the preliminary risk assessments. Please check one:

- ☒ I verify that the preliminary risk assessment(s) DOES NOT contain CBI.
- ☐ I verify that the preliminary risk assessment(s) DOES contain CBI. I have enclosed with this letter information identifying the location of the CBI.

Section 2 - Verification for your error correction comments. In addition, we need to know if the error correction comments that you submitted for the preliminary risk assessment(s) contained CBI. Please check one:

- ☒ I verify that our error correction comments DO NOT contain CBI.
- ☐ I verify that our error correction comments DO contain CBI. I have enclosed with this letter information identifying the location of the CBI.
